

Insta Coustic

THE SOUND SOLUTION

Guaranteed Acoustic Solutions

A Guaranteed Route to PCT Compliance for Approved Document E

We can say, without doubt, “Part E Compliance Guaranteed”

InstaCoustic can help you to avoid the uncertainty, risk and potentially significant liability involved with acoustic insulation. The nature of noise is such that few projects are identical. Mistakes can be costly.

We will guarantee to complete the Pre-Completion Testing (PCT) process for compliance with Approved Document E of the Building Regulations and offer the added benefit of keeping your project cost-effective.

With our Guaranteed Acoustic Solutions* package, we will provide potential cost and time savings and eliminate your risk of non-compliance with Approved Document E.

We offer:

- ✓ A guarantee that our acoustic solution complies with Pre-Completion Sound Testing under Approved Document E
- ✓ A guaranteed solution for both new build and material change of use
- ✓ Free technical advice
- ✓ Direct ownership and process management of all InstaCoustic works from placing order through to the point of compliance with PCT process for Approved Document E
- ✓ Manufacturer's expertise at every stage of the process, including installation
- ✓ Adherence to ISO9001 and ISO14001 quality management standards
- ✓ Independent acoustic testing provided by a UKAS accredited company
- ✓ Products made from recycled or sustainable materials

Benefits for you include:

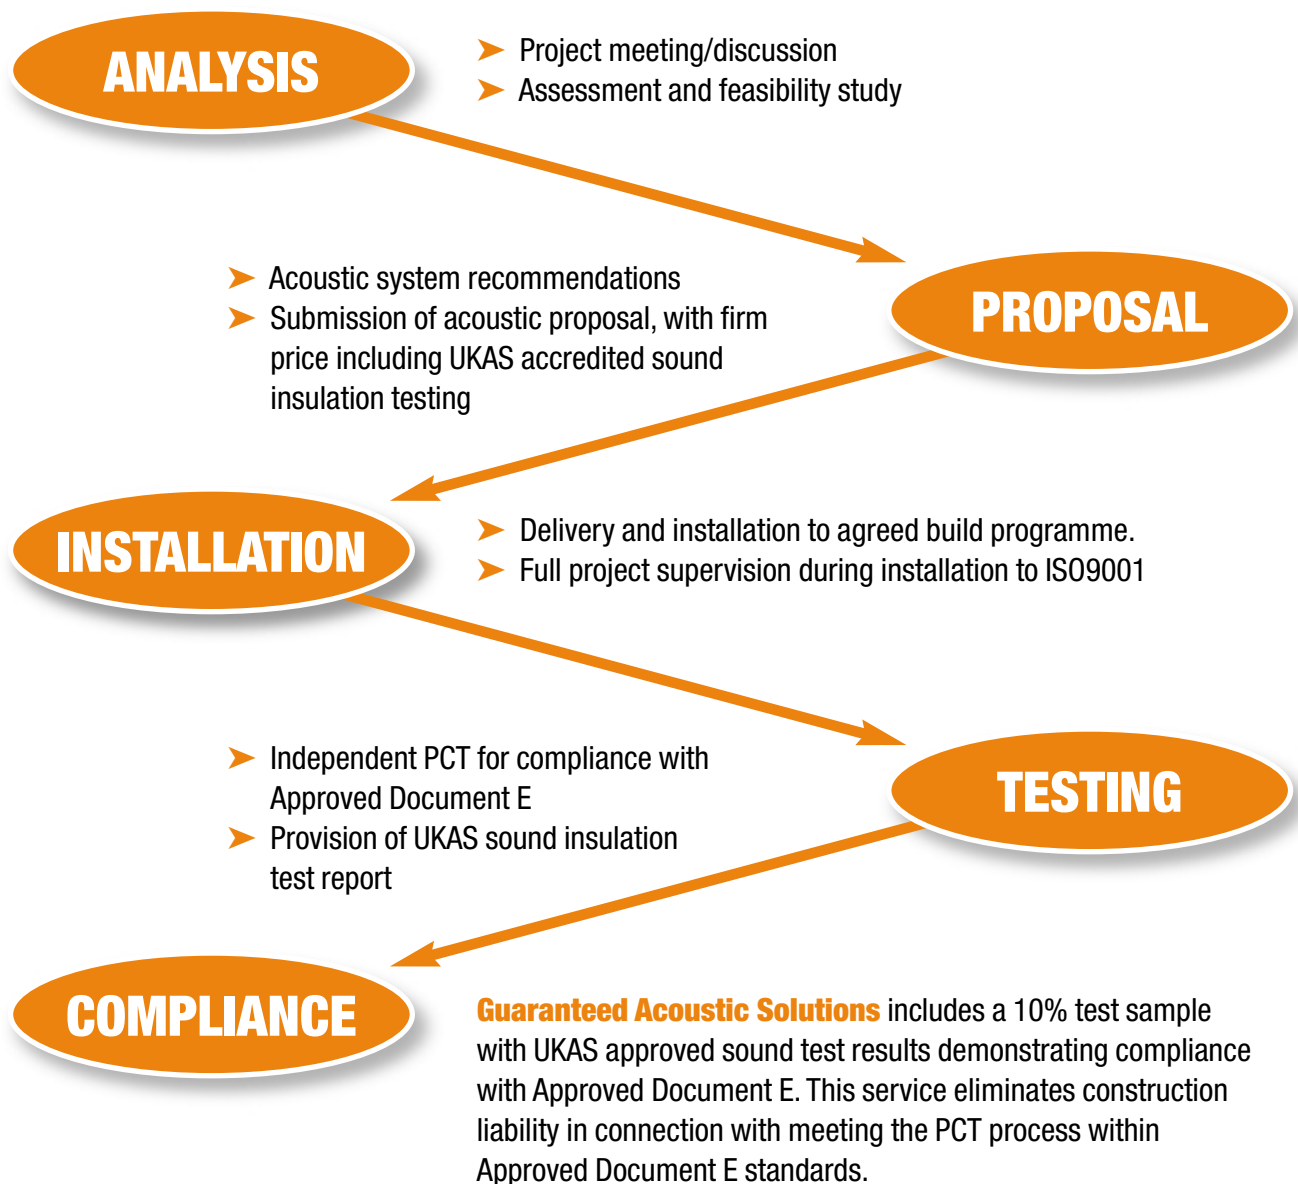

- ✓ Allows flexibility of design
- ✓ Ensures consistency – manufacture, supply and installation, all from InstaCoustic
- ✓ Guides you through the PCT compliance procedures
- ✓ Also applies to 'rooms for residential purposes' i.e. hotels, student accommodation, nursing homes, etc
- ✓ Provides independent UKAS sound test with reports
- ✓ Provides proof of performance
- ✓ Ensures no remedial costs due to failure
- ✓ Eliminates construction liabilities associated with compliance procedures under Approved Document E

Route to compliance – process stages

InstaCoustic will take responsibility for every stage of its work process from order through assessment, proposal and installation to the point of PCT for compliance with Approved Document E.

Our staff are committed to providing excellence at every stage of the process.
